Introduction to Tally ERP 9

Tally.ERP 9 is the world's fastest and most powerful concurrent Multi-lingual business Accounting and Inventory Management software.

Tally.ERP 9, designed exclusively to meet the needs of small and medium businesses, is a fully integrated, affordable and highly reliable software. Tally.ERP 9 is easy to buy, quick to install, and easy to learn and use. Tally.ERP 9 is designed to automate and integrate all your business operations, such as sales, finance, purchasing, inventory, and manufacturing.

With Tally.ERP 9, accurate, up to date business information is literally at your fingertips anywhere. The powerful new features and blazing speed and power of Tally.ERP 9 combined with enhanced MIS, Multi-lingual, Data Synchronization and Remote capabilities help you simplify all your business processes easily and cost-effectively.

Salient Features of Tally.ERP 9

A leading Accounting Package: The first version of Tally was released in 1988 and, through continuous development, is now recognised as one of the leading accounting packages across the world, with over a quarter million customers. Tally's market share is more than 90%.

No Accounting Codes: Unlike other computerised accounting packages which require numeric codes, Tally.ERP 9 pioneered the 'no accounting codes' concept. Tally.ERP 9 users have the freedom to allocate meaningful names in plain English to their data items in the system.

Complete business solution: Tally.ERP 9 provides a comprehensive solution to the accounting and inventory needs of a business. The package comprises financial accounting, book-keeping and inventory accounting. It also has various tools to extract, interpret and present data.

Integrated/ Non-integrated accounting and inventory: With Tally.ERP 9, the user is able to choose between accounting and accounting with inventory. If accounting with inventory is opted for, the user can choose whether it should be integrated or not.

Flexible and easy to use: Tally.ERP 9 is very flexible. It mimics the human thought process, which means that Tally.ERP 9 can adapt to any business need. Tally.ERP 9 users need not change the way their business is run to adapt to the package.

Speed : Tally.ERP 9 provides the capability to generate instant and accurate reports, which assists the management to take timely and correct decisions for the overall productivity and growth of the company.

Power : Tally.ERP 9 allows the user to maintain multiple companies and with unlimited levels of classification & grouping capabilities. It also allows drill down facility from report level to transaction level.

Flexibility: Tally.ERP 9 provides flexibility to generate instant reports for any given period (month/year) or at any point of time besides providing the facility to toggle between Accounting & Inventory reports of the same company or between companies.

Concurrent Multi-Lingual Capability : Tally.ERP 9 offers you the exclusive capability of maintaining your accounts in any Indian language, viewing them in another language and printing them in yet another Indian language.

Real Time Processing: Immediate posting & updation of books of accounts as soon as the transactions are entered, thereby facilitating instant statements & Reports. It also facilitates real-time multi-user environment.

Versatility: Tally.ERP 9 is suitable for a range of organisations, from small grocery stores to large corporations with international locations and operations.

Multi-platform availability: Tally.ERP 9 is available on Windows 95, 98, ME, 2000 and NT. It runs on a single PC or on a network. On a network, it supports access via any combination of platforms.

Online Help: The Tally.ERP 9 Online Help (Alt+H) provides instant assistance on basic and advanced features or any other relevant topics of Tally.ERP 9. Tally.NET : is an enabling framework which establishes a connection through which the remote user can access the Client's data without copying / transferring the data.

Remote Access : Tally.ERP 9 provides remote capabilities to access the data from anywhere and anytime.
